Gas Water Heater | HOT ON TECHNOLOGY

Racold is India's most trusted brand (as per Brand Trust Report 2016) and one of the largest provider of water heating solutions for over 60 years in India. It is a fully owned subsidiary of Ariston Thermo Group - Italy, the world leaders in the water and environmental heating solutions. Ever since its inception, Racold, has been setting standards in the Indian Water Heating Industry by bringing in new technology, enhancing the aesthetics, quality, safety, durability and performance of the product. Racold has set a new benchmark in the industry for energy efficiency standards and has the distinction of being the only brand in the water heating category to win the prestigious BEE award for the 10th time in 2020. Racold is the only brand in the water heating category to be chosen as a Superbrand in 2019 & 2021.

ODS-ECO+ is an advanced Instantaneous Gas Water Heater that ensures maximum safety. Equipped with a sleek digital display to keep a check on the water temperature, ODS-ECO+ makes heating safer for the whole family with features like ODS (Oxygen Depleting Sensor), Child Lock and Double Solenoid Valve.

DIGITAL DISPLAY
Sleek display panel for temperature reading

ODS (OXYGEN DEPLETING SENSOR)
To ensure ventilation and to avoid any hazard for maximum safety

DOUBLE SOLENOID VALVE
Advanced safety feature with two solenoid valves to deliver double safety and complete peace of mind

CHILD LOCK
Added feature to protect children against accidents

ADVANCED PROTECTION THROUGH SMART FLOW SENSOR
Allows ignition only if there is a flow of water for complete safety

WINTER / SUMMER FUNCTION
Adjustable as per weather conditions

85% HEATING EFFICIENCY*
Greater economy through maximum heating efficiency

SUITABLE FOR LOW PRESSURE
Helpful for areas having low water pressure

Technical Data

Model	Capacity in LPM	Power Supply	Flue Type	Heat Input (kW)	Rated Gas Pressure (kpa)	Suitable Pressure (bar)	Thermostat	Dimension		
								L	W	D
ODS-ECO+ LPG	6 Ltr/Min	3V DC	Natural Flue	12	2.94	0.07-8.0	Surface Type	440	300	133
